Tay Township invites public input on Strategic Plan

Tay, Ontario: Tay Township is inviting public input on its Strategic Plan for 2019 to 2022. The plan will identify municipal priorities that meet Council and community goals and objectives.

Tay Township is encouraging residents to participate in the process. "This is an important opportunity for the community to have their say," said Mayor Ted Walker. "We want to hear from residents to ensure the plan reflects their needs and priorities."

The ideas from residents, community groups and organizations, members of Council, and municipal staff will inform the recommendations. The Strategic Plan will be presented this fall for Council to consider.

The community engagement process includes five activities:

1. Telephone survey with 300 residents
2. Community open house sessions
3. Written submissions
4. Focus groups with residents and community groups
5. Interviews with Council and staff

Tay Township is inviting residents to drop in to participate in a variety of conversations and activities. Community open house sessions will take place on:

- **Wednesday, July 31** from 3 p.m. to 7 p.m. at Oakwood Community Centre (290 Park Street, Victoria Harbour); and
- **Thursday, August 15** from 3 p.m. to 7 p.m. at Port McNicoll Community Centre (560 Seventh Avenue, Port McNicoll).
