

SECTION 8 INTERPRETATION**8.1 Land Use Boundaries and Roads**

It is intended that the boundaries of the land use designations shown on the schedules to this Plan be considered as approximate, except where defined by highways, arterial roads, railways, rivers or streams or other similar geographical barriers. It is also intended that the location of roads as indicated on the schedules be considered as approximate and not absolute. Therefore, amendments to this Plan will not be required in order to make minor adjustments to the approximate land use boundaries or to the location of roads, provided the general intent of the Plan is preserved. Such minor deviations will not be reflected on the schedules.

8.2 Figures and Quantities

It is intended that all figures and quantities herein shall be considered as approximate only and not absolute. Amendments to the Official Plan will not be required for any reasonable variance from any such figure or quantity.
